Y-CARE: HOW YOU CAN HELP A SUICIDAL PERSON

YOU You are never alone. You are not responsible for anyone who chooses to take their own life. As friends, family and loved ones, all you can do is listen, support and assist the person in getting the help they need.

CONNECT

the person to resources and to a supportive, trusted adult.

ACCEPT

and listen to the person's feelings and take them seriously.

RESPOND

if a person has a plan to attempt suicide and tell someone you trust.

EMPOWER

the person to get help and to call The Trevor Lifeline (866-488-7386).

Because...

suicide is the third leading cause of death among 15 to 24-year-olds.

Because...

LGB youth are up to 4 times more likely to attempt suicide than their straight peers.

Because...

depression is treatable and suicide is preventable.

Because...

when You CARE, you can help save a life!

WARNING SIGNS FOR SUICIDE

Suicide is preventable. The majority of young people having thoughts of suicide give some sort of clue about their intentions. If someone you know is depressed or exhibiting any of these warning signs, ask them if they are considering suicide.

Here are some signs to look for:

Developing a plan for suicide and/or obtaining the means to follow-through on a suicide attempt.

Expressing suicidal feelings (e.g. "I want to kill myself," "I wish my life were over," or "Life isn't worth living.").

Making final arrangements, talking about their funeral and giving away valued possessions.

Displaying signs of depression (e.g. loss of pleasure in activities they used to enjoy, prolonged sad mood, changes in eating or sleeping patterns, expressing feelings of hopelessness or guilt).

Engaging in self-destructive behavior (e.g. start of or increase in alcohol or drug use, risky sexual behavior, reckless driving).

Expressing that they are suffering a great deal and feel that there is no hope for a better future with phrases such as: "It won't matter soon anyway."

Pulling away from family and friends.

If you or someone you care about is exhibiting any of these signs, please do not hesitate to call The Trevor Lifeline at **866-488-7386**. Your call is free, confidential and trained counselors are available 24 hours per day, seven days per week.

TAKE CARE OF YOURSELF

Everyone has stress in their lives. Stress can be attributed to any situation or thought that makes you feel frustrated, angry, nervous or anxious. Be sure to take some time to yourself if you are feeling overwhelmed or stressed. It will help you relax and improve your health in general.

Try practicing some of the following activities:

Talk to a friend or family member about your feelings.

Exercise or find a way to release negative energy.

Start a journal. Writing down your feelings can help.

Listen to music! Dance! Sing!

Create art that expresses your emotions (paint, write, sketch).

Volunteer. Find a cause that you believe in and lend a hand.

Participate in an after-school club or community event.
